Name of local person to be notified in case of emergency if parents cannot be reached.			Telephone	
Date of last Tetanus Shot: _____ The camp nurse may administer: <input type="checkbox"/> Tylenol or <input type="checkbox"/> Advil to my child if needed.				
Known Allergies: _____				

Parent's authorization and consent to medical treatment: Understanding that my child may need emergency medical treatment during camp or at camp activities while he or she attends the GCDS Camp, I authorize the Camp, through its nurse or other qualified person, to administer such first aid or other minor medical treatment as shall be deemed best under the circumstances, and I consent for my child to receive such treatment. I understand that the camp will attempt to notify me (or my spouse) in the event of an emergency requiring immediate medical care for my child, and if the Camp is unable to notify me, it will have my child treated by a duly qualified physician at the nearest emergency facility. I also understand that neither medical nor accident insurance is provided by the Camp and that the responsibility for providing such coverage rests with me as a parent or guardian for my child.

If a mini-camp cannot be offered because of insufficient enrollment, you will be notified as soon as possible and your payment will be returned. Permission to use photographs: I hereby give The Greenwich Country Day School permission to use photographs of my child in school publications and promotional literature. Hold harmless clause: I give permission for my child, named above, to take part in any and all activities authorized by The Greenwich Country Day School. This includes sports and any trips that may be made away from the School. I release the School from any liability for any accident in connection with these activities. I also agree to indemnify the School for any loss or expenses which it may incur or damages it may be required to pay as a result of any claim which is submitted by or on behalf of my child named above. Accident insurance is the sole responsibility of the parent. The Greenwich Country Day School cannot insure campers for personal injury due to accident. GCDS students who elected accident insurance during the 2009-10 school year are covered under that policy during the camp session. Parents of students from other schools should review the accident plans they may have selected at their child's school. In the absence of accident insurance, the parent's family medical insurance is the primary insurance coverage for personal injury due to accident.
